Our Goal is to provide you with professional help in customizing an affordable hearing solution that fits your lifestyle and expectations.

From custom fit to ready to wear models, your hearing aid from West Georgia Eye Care will offer you the best in digital clarity, modern design, and all-day comfort

CHARLES KENT, BC-HIS

Charles Kent is a Board Certified and Georgia licensed hearing instrument specialist with over 20 years of professional experience administering hearing tests and dispensing hearing aids. Mr. Kent works closely with your physician here at West Georgia Eye Care Center to ensure that all patients receive the same professional quality experience they have come to expect.

To achieve a more complete medical analysis of hearing sensory loss, Mr. Kent performs comprehensive hearing tests, speech mapping and hearing aid fittings using the latest state-of-the-art equipment. Should hearing aids help you, Mr. Kent will be able to offer you the most advanced hearing aid technology with cost-effective solutions. By combining hearing & vision services, Mr. Kent and the eye doctors seek to help patients achieve the highest quality of life possible.

West Georgia Eye Care is very pleased to offer our patients the professional services of Mr. Charles Kent.
